

When and How to Report a Boating Accident

Department of Boating and Waterways

www.BoatResponsibly.com

When to Report an Accident

Boating accident statistics are compiled under a state law requiring a boater who is involved in an accident to file a written accident report with the Department of Boating and Waterways (DBW) in the case of:

- Death, disappearance or injury requiring medical attention beyond first aid
- Damage to a vessel or other property exceeding \$500; or
- Complete loss of a vessel, regardless of value

Reports must be submitted to DBW **within 48 hours** of an accident that involves:

- Death occurring within 24 hours of the accident
- Disappearance of a person
- Injury beyond first aid

Reports must be submitted **within 10 days** of an accident that involves:

- A person who dies more than 24 hours after an accident occurs
- Only property damage to vessels or property exceeding \$500, or there is a complete loss of a vessel

How to Report an Accident

The operator, owner, or, if neither are able, other parties involved in an accident that fits one of the above criteria should complete a boating accident report Boating Accident Report Form

Reports should be signed and mailed, or faxed to:

California Department of Boating and Waterways

Attn: Boating Accident Unit

2000 Evergreen Street, Suite 100

Sacramento, CA 95815

Fax: (916) 263-8190

When submitting reports by mail, keep a copy for your records.

Purpose

DBW collects and analyzes boating accident reports to develop safety strategies and make recommendations in the interest of reducing boating accidents, injuries and fatalities on California's waterways.

Information contained in the reports is confidential and may not be used in prosecuting any violations which may have occurred, nor in civil litigation of any kind.
